Capital City Honda Service Commitment

Excellence at every turn... and every straightaway

Our dealership's primary goal is to satisfy every customer at every opportunity. You visit our service department regularly, and we have developed a number of ways to make your visit more comfortable and informative. We know that you want straight answers, and that's the only way we will deliver it to you.

We understand that your knowledge of your vehicle and its necessary repairs is probably not on par with the understanding that your technician has. In order to be sure that his findings and reporting is as clear and concise as possible, we use this Vehicle Information Booklet as a tool to help us communicate your vehicle's condition to you.

Our technicians are the most qualified to work on your vehicle. They have trained extensively, and partake in continuing education regularly to be sure that they are up to date on any changes and improvements handed down from the manufacturer. Our service advisors strive to make your experience with us a pleasant one. They are here to attend to your automotive needs as well as communicate effectively with your technician and you.

Please make yourself comfortable in our waiting area. Watch some TV, use your laptop with our free WI-FI access or just relax and enjoy the quiet. Our courtesy shuttle can take you shopping, to a movie or home if you prefer.

We appreciate your business and will continue to strive for excellence in everything we do for you.

Additional Service Recommendations

In the process of inspecting your vehicle for safety and reliability, your technician **Luis G** made the following observations and recommends that you do the necessary repairs to resolve these issues.

Red: requires immediate attention.

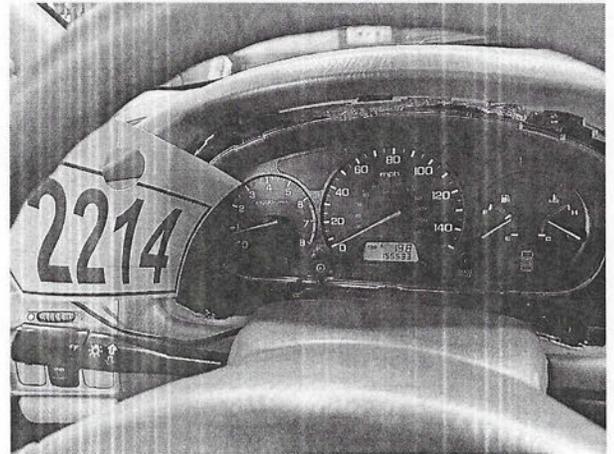

Yellow: in need of attention soon.

[Other]: NOTE - gauge cluster has oil lights slightly lit on checked oil lever and the oil level is fine

Item Description

Speak with your service advisor for more information on this recommended service.

Reason

***Tires - 4: MOUNT AND BALANCE
FOUR TIRES bridge stone ecopia
195/65 r15 due to the age of the tires
they are around 7 years old**

Item Description

A tire is a round component made of rubber and reinforced with chords or belts made of several choices of materials. The tire is filled with air or nitrogen and surrounds a wheel's rim to transfer a vehicle's load from the axle through the wheel to the ground and to provide traction on the road's surface. With only four small contact patches between you and the road you want them to be as good as they can possibly be.

Reason

According to most states' laws, tires are legally worn out when they have worn down to 2/32" of remaining tread depth. As a tire wears it's important to realize that the tire's ability to perform in rain and snow will be reduced. With 2/32" of remaining tread depth, resistance to hydroplaning in the rain at highway speeds has been significantly reduced, and traction in snow has been virtually eliminated. If rain and wet roads are a concern, you

Tires

should consider replacing your tires when they reach approximately 4/32" of remaining tread depth.

If snow-covered roads are a concern, you should consider replacing your tires when they reach approximately 6/32" of remaining tread depth to maintain good mobility. Because tread depth is such an important element for snow traction, winter tires usually start with noticeably deeper tread depths than typical All-Season or summer tires. Some winter tires even have a second series of "wear bars" molded in their tread pattern indicating approximately 6/32" remaining tread depth to warn you when your tires no longer meet the desired tread depth.

***Alignment: PERFORM FOUR WHEEL ALIGNMENT**

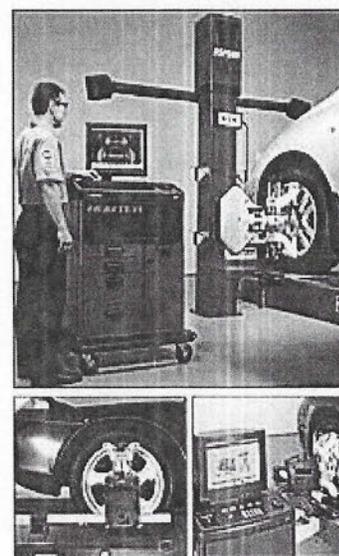

Item Description

Alignment is one of the key maintenance factors in getting the most tread life and performance from your tires. In addition, wheel alignment provides safe, predictable vehicle control as well as a smooth and comfortable ride that's free of pulling or vibration. Today's modern suspensions require a precise four-wheel alignment that can only be achieved through a modern alignment system. This applies to both front and rear wheel drive vehicles. Aligning a car or truck involves the adjustment of the vehicle's suspension, not the tires and wheels. The direction and the angles that the tires point in after the alignment is complete, however, are critically important. There are four factors involved in setting the alignment to specification: caster, camber, toe and ride height.

Reason

If not done, you will see uneven or rapid tire wear, pulling or drifting away from a straight line, and wandering on a straight level road. It can also cause extra load on certain suspension components, making them more likely to fail.

**Boots - Ball Joint Front Upper:
recommending new front upper ball**

Alignment

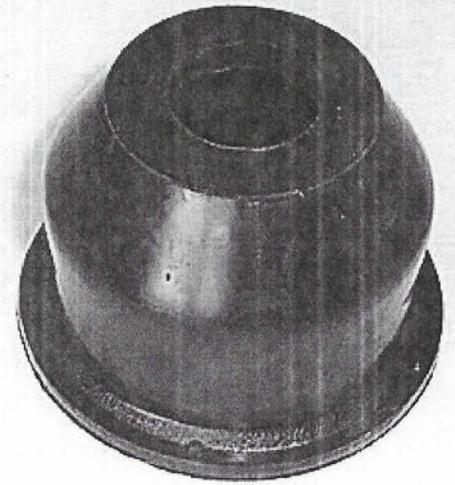

joint boots

Item Description

A boot is a flexible, piece of rubber that protects vital components from dirt, debris and the elements. A ball joint is a steel bearing stud and socket enclosed in a steel casing. A ball joint boot is the boot that protects these ball joints.

Reason

When damaged, the ball joint boots leave the ball joints vulnerable to decay and destruction which can lead to major component damage of connected parts.

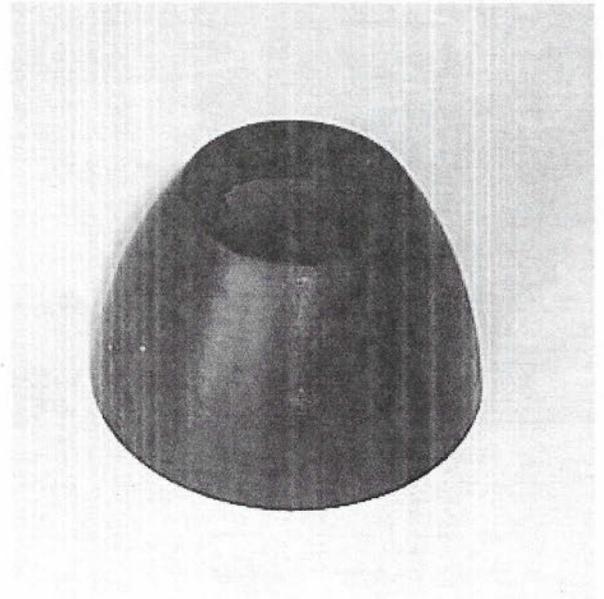

Boots - Ball Joint Front Lower: recommending new front lower ball joint boots

Item Description

A boot is a flexible, piece of rubber that protects vital components from dirt, debris and the elements. A ball joint is a steel bearing stud and socket enclosed in a steel casing. A ball joint boot is the boot that protects these ball joints.

Reason

When damaged, the ball joint boots leave the ball joints vulnerable to decay and destruction which can lead to major component damage of connected parts.

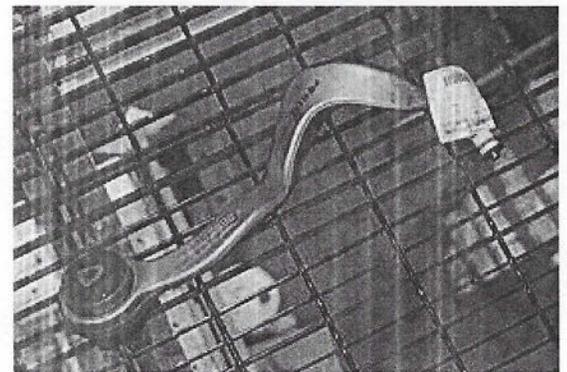

Control Arm - Upper: recommending new boot for rear upper control arms

Item Description

The upper control arm is part of the vehicle's suspension system. It attaches the front suspension to the chassis, stabilizing the suspension's fore and aft movement. A control arm can also be referred to as a "wishbone" or an "A-arm."

Reason

If not replaced, a bad upper control arm can cause tire cupping.

Control Arm

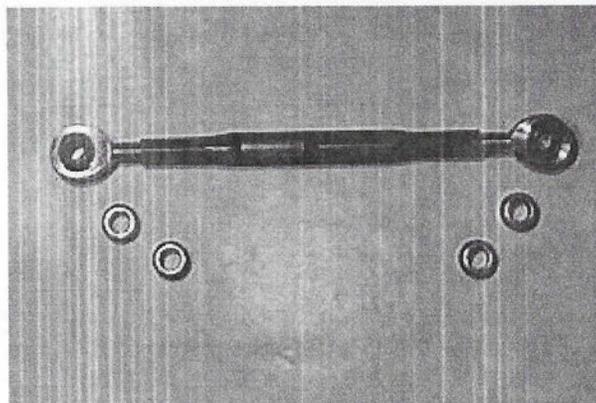

**Sway Bar Links - Rear:
recommending new rear sway bar
end links due to torn boots**

Item Description

A sway bar or stabilizer bar is a torsion spring that resists body roll motions. It is constructed out of a U-shaped steel bar that connects to the body at two points, and at the left and right sides of the suspension. If the left and right wheels move together, the bar rotates about its mounting points. If the wheels move relative to each other, the bar is subjected to torsion and forced to twist. Sway Bar Links are the connecting points of the sway bar to the chassis.

Reason

If the Rear Sway Bar Links are found to be damaged or broken the sway bars effectiveness is reduced or eliminated, resulting in a "loose" feeling in the rear end of the vehicle. Potential problems include abnormal tire wear and extra stress to various other suspension components.

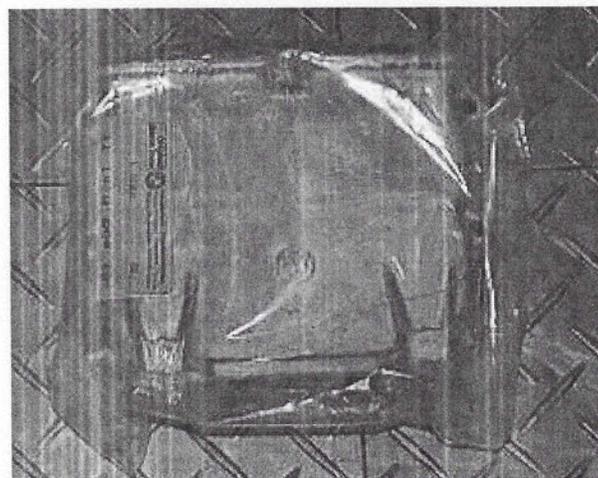

**Timing Cover - Upper:
recommending a new Inner Timing
Cover/timing belt back cover due to
it being cracked**

Item Description

A proper timing cover protects the vehicle's timing belt from road debris and the harsh environment inside your engine's compartment. If your vehicle's timing belt breaks it could cause severe valve damage and harm to other vital engine parts.

Reason

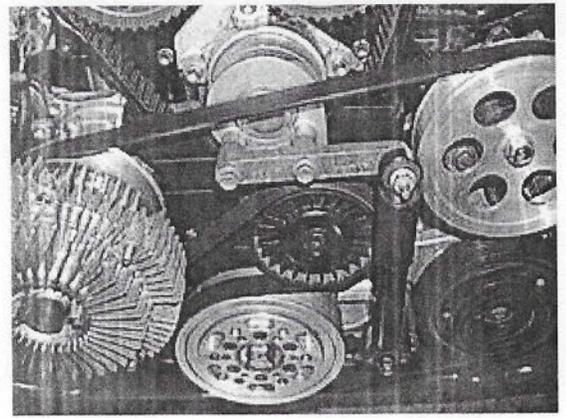

**Drive Belt: RECOMMENDING NEW
DRIVE BELTS AS PREVENTATIVE
MAINTENANCE DUE TO THEM
BEGINING TO CRACK**

Item Description

The crankshaft drives the flat, multi-ribbed serpentine belt to power engine accessories such as the alternator, air conditioning compressor, power steering pump, and sometimes the water pump. The serpentine belt is a modern, more efficient replacement for the earlier "V" belt design. The name serpentine describes the path of the flexible belt; it goes over and around multiple pulleys. This belt has its own tensioner and requires regular inspection and maintenance

Reason

With multiple belt systems, if a worn belt is not replaced and breaks, such as the alternator belt, the driver may not realize that there is a problem before the engine becomes damaged.

Drive Belt

HONDA

Replacement Parts Limited Warranty

(Effective for Replacement Parts purchased on or after March 1, 1990)

Time and Mileage Limits

Except for batteries and mufflers, automobile parts supplied by the Honda Automobile Division* of American Honda and purchased from and installed by an authorized Honda automobile dealer are covered for 12 months or 12,000 miles from the date installed, whichever comes first. Honda parts distributed by American Honda and purchased from, but not installed by, an authorized Honda automobile dealer are covered for 12 months from the date of purchase. Replacement batteries are covered for 36 months from the date of purchase. Replacement muffler have a limited lifetime warranty.

WARRANTY COVERAGE

Honda Motor Co., Inc. will repair or replace, at its option, any genuine Honda part that is defective in materials or workmanship under normal use.

Parts, except for batteries and mufflers, that were sold and installed by an authorized Honda dealer will be repaired or replaced without charge for parts or labor, parts, except for batteries, purchased from but not installed by an authorized Honda dealer will be repaired or replaced without charge for the parts, but labor charges will be your responsibility.

A defective replacement battery will be replaced free-of-charge during the first 12 months. If the battery fails after the first 12 months, you will be given credit toward the purchase of a new battery, figured at 1/36 of the current suggested retail price for each month remaining in the 36 month period. No cash reimbursement will be made. Any service or installation charge will be at your expense except during 12 month free-of charge replacement period.

All parts supplied under this warranty will be genuine Honda Parts, and all parts replaced become the property of Honda Automobile Division.

This Warranty Does Not Cover

- Parts distributed or sold outside the U.S., Puerto Rico, and the U.S. Virgin Islands.
- Parts installed in vehicles for racing or competition.
- Any part for which applicable proof or purchase date, installation date, and vehicle mileage at time of installation is not presented.
- Any parts that are considered normal maintenance items, which are replaced, cleaned or adjusted as normal owner maintenance unless they are defective in material or factory workmanship.

- Parts replaced under the New Car Limited Warranty.
- Deterioration of any part due to normal use and exposure.
- Parts installed in a car in which the odometer has been altered, or on which the actual mileage cannot be determined.
- Tires, which are covered by the tire manufacturer's warranty.

To Obtain Warranty Service

The defective part, or the car it is installed in, must be returned by the purchaser to an authorized Honda automobile dealer during normal service hours. You must provide a receipt that shows proof of purchase as well as the installation, date and the mileage at time of installation, if the installation was done by an authorized Honda automobile dealer. If the car is not drivable because of a defect covered by this warranty, call the nearest authorized Honda automobile dealer for towing assistance. You will not have to pay for towing if the defect is covered by this warranty.

If you cannot get warranty service, or you are dissatisfied with the service or a warranty decision, speak with one of the dealership's managers. Generally, problems can be solved most effectively this way. If you need further assistance, ask your dealer for the number of the Honda Customer Relations office that serves your area.

Disclaimer of Consequential Damages and Limitation of Implied Warranties

Honda disclaims any responsibility for loss of time or use of parts or vehicle in which the parts are installed, transportation or any other incidental or consequential damage. Any implied warranties, including the implied warranty of merchantability and fitness for a particular purpose, are limited to the duration of this written warranty.

Some states do not allow limitation on how long an implied warranty lasts, or the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you.

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

Honda Automobile Division, a division of American Honda Motor Co., Inc. (a California Corporation), offers these warranties on behalf of American Honda, 100 West Alondra Boulevard, Gardena, California 90248-2702.

WARNING: Motor vehicles contain chemicals known to the State of California to cause cancer and birth defects or other reproductive harm. These chemicals are contained in many vehicle components and replacement parts, vehicle fluids, and paints and materials used to maintain vehicles, including, but not limited to, fuel, oil, batteries, brakes, and wheel balancing weights. When you service, clean or maintain your car, you will be exposed to listed chemicals contained in used oil, waste and replacement fluids, fumes, grease, grime, touch-up paint, certain replacement parts, and particulates from component wear. When we service your car, we will return used components to you upon request. Used parts and components contain chemicals known to the State of California to cause cancer and birth defects or other reproductive harm.

To minimize your exposure when servicing, maintaining or cleaning your vehicle: 1) work in a well ventilated area; 2) do not smoke, drink or eat while working; 3) wash your hands when finished or when taking a break; and 4) follow all manufacturer instructions pertaining to proper use and maintenance of motor vehicles and vehicle components.

(Posted in accordance with Proposition 65 in Cal. Health & Safety Code §25249.5 et seq.)
For further information about Proposition 65: <http://www.oehha.org/prop65.html>.

1. Customer is hereby notified that the said property is not insured or protected to the amount of the actual cash value thereof, or otherwise, against loss occasioned by theft, fire or vandalism while the property remains with the dealer.
2. Customer states no articles of personal property have been left in the vehicle and dealer is not responsible for inspection thereof.
3. The dealer is not responsible for unavailability of parts or delays in parts shipment beyond dealer's control.
4. Due to the type of service requested some repairs must be sublet.
5. All charges for repairs including labor and materials furnished are due and payable simultaneously with the delivery of the within described vehicle or prior to delivery upon the expiration of three (3) days after notice that repairs have been completed. Notice shall be deemed to have been given upon the deposit in the United States mail, postage prepaid, of written notification to that effect addressed to the customer at the address given on the reverse side hereof.
6. If the vehicle described herein is not called for within three (3) days
7. Said Dealer is authorized to deliver the vehicle described herein or any of its contents to any person presenting this receipt.
8. In addition to any and all other legal remedies available, I authorize Said Dealer to have a lien on the vehicle described herein for all charges for repairs, including labor and parts, storage and/or towing, and to enforce such lien. Said Dealer is hereby expressly authorized to sell said vehicle at public auction after giving a twenty (20) day written notice by certified mail to the legal owner, registered owner, and Department of Motor Vehicles of intent to do so. On the sale date, the vehicle shall be sold to the highest bidder and the proceeds of sale must be used first to satisfy the lien plus storage costs and costs incident to sale, and the balance shall be forwarded to the legal owner, or if none, to the registered owner, or if the address is unknown, it shall be forwarded to the Department of Motor Vehicles. Said expenses for sale shall also include a reasonable attorney's fee, which may be necessarily incurred.
9. If any such charges remain unpaid for thirty (30) days after such request for payment, Said Dealer may also refer such charges to its attorneys for collection and the customer will pay a reasonable attorney's fee.
