- **Radio with XM/Sirius antenna with a CD player**
- **Bluetooth**
- **Smoke free car**
- **Overall, this car looks new and is in excellent mechanical and physical condition**

**I am the original owner of this car and have taken extremely good care of it. It has been in a garage each night and has been driven very little in the last 3 years. This car is in great condition and should serve you well for many years to come with the reliable Honda brand. Note: all pictures were taken with simple camera phone in 3/25.**

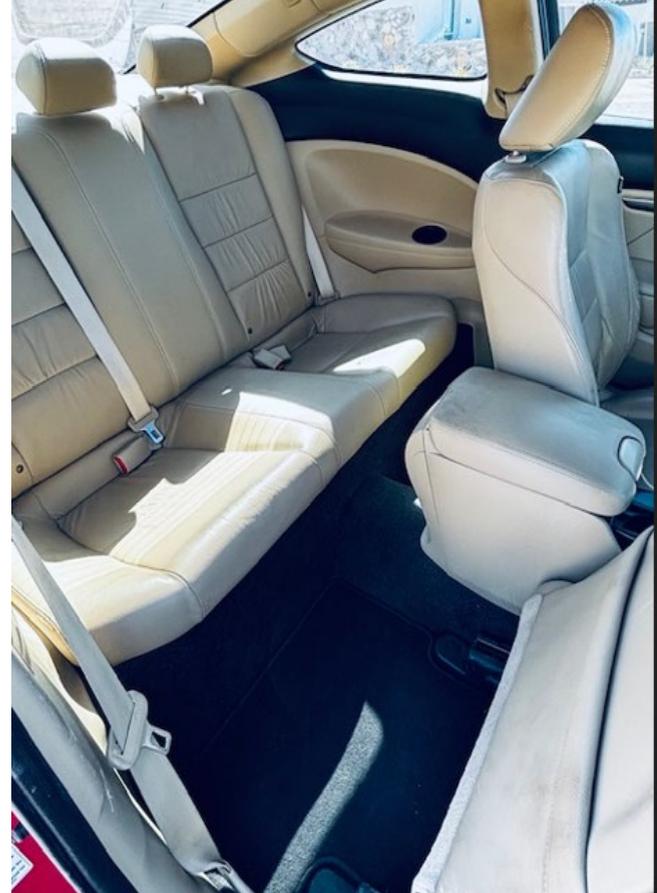

Damages: small dent in the hood and small scratch on the back bumper. A few edges of the leather interior are dry/cracking due to the age and use but is not overly noticeable or bothersome. I am showing 2 pictures (in boxes below) of the main blemishes on the car.

The dent in the hood is on the driver side of the car, it measures 1 inch in length, 0.5 inches wide

Below - The leather in the car is in very good shape except for the driver side door handle which has worn.

[www.safercar.gov](http://www.safercar.gov) or 1-888-327-4236

This vehicle is equipped with a front bumper of a type that has been tested at an impact speed of 5 miles per hour, and a rear bumper of a type that has been tested at an impact speed of 5 miles per hour, resulting in no damage to the vehicle's body and safety systems and minimal damage to the bumper and attachment hardware. "Minimal damage to the bumper" means minor cosmetic damage that can be repaired with the use of common repair materials and without replacing any parts. The stronger the bumper, the less likely the vehicle will require repair after a low-speed collision. This vehicle exceeds the current federal bumper standard of 2.5 miles per hour.
